11.4 If a defect does become noticeable you must notify us as soon as possible and provide us with the first right of repair.

11.5 If another company or person undertakes a repair without first providing us with an opportunity to inspect and fix the defect we will not be responsible for any costs associated with the defect and any further guarantee we have provided will be void.

11.6 Notwithstanding anything to the contrary, we do not accept any liability for faulty parts sourced from third party suppliers unless the fault arises as a result of our workmanship.
